Jennifer,
Note the good news that the transfer of the NAWCA grant from Texas Rice to the Friends has been approved.
Bill is getting anxious to get started but Rodecia is still looking for the NEPA/NHPA clearances. Any suggestions as to how to check on the status. I'll be glad to make some calls.
Ron

Hi Ron,
Good News! The transfer has been approved by my office.

The next step is to setup your Smartlink account .

SMARTLINK Account - SMARTLINK is an electronic drawdown grant payment system used by the DBHC. Grant recipients must establish a SMARTLINK account to access NAWCA funds. SMARTLINK is part of the Payment Management System that is administered by the Department of Health and Human Services.

Visit our SMARTLINK website at <http://www.fws.gov/birdhabitat/SmartLinks/index.shtm> for detailed instructions on establishing a SMARTLINK account and updating an existing one.

Attached is the original Dear Successful Letter that was sent to Bill when the grant was originally approved.

Secondly,
How is the NEPA/NHPA clearances coming along?

& the only other item I will need is that summary table I referred to in my other e-mail.

Please feel free to contact me with any questions or concerns.

Thanks,
Rodecia
