Dear Ms. Hamilton:

Thank you so much for your consideration of our recent grant request. As per our phone conversation a couple of days ago, I am enclosing a hard copy of a letter from the IRS which reaffirms our non-profit tax status.

You should also know that our need for the grant funds has not diminished. We are still struggling to execute projects with grants that require us to first spend the money and then seek reimbursement.

As part of a major effort to rejuvenate our organization, we have added five new board members as of last night. They will be Members at Large and include:

Al Kinback – akinback@swbell.net
Ed Barrios – evbarrios@houston.rr.com
Marty Cornell – marty-carole@houston.rr.com
Mickey Difulho – dufilhos@hotmail.com
Torry Tvedt – ttvedt@earthlink.net

Please let me know if there is anything else we can provide to you.

Sincerely,

Ronald G. Bisbee
President
