

Multipurpose Shelter San Bernard National Wildlife Refuge

Project Code: 20071201

**A project of the Friends of Brazoria National Wildlife Refuges
Supported by a Grant from the National Fish and Wildlife Foundation**

Guidelines for Construction Bids:

- The site will be prepared by the refuge staff; soil fill, grading, and compaction.
- Materials will be purchased by the Friends using their tax-exempt status.
- The concrete work shall be bid separately from the building construction.
- Foundation and concrete specifications as noted on the drawings NFWF-2008-01-02, revised 01/18/08, shall be the basis for this part of the bid, amended to include transitional sloping ramps from the sidewalk to the building slab at the north and south doors (wheelchair access).
- Specifications for the building as noted on the drawings NFWF-2008-01-01, revised 01/18/08, shall be the basis for this part of the bid package.
- The project is to be completed on or before April 1, 2008.
